Come on out and enjoy an afternoon of golf and fellowship in memory of our friend, Ron Ness. Ron loved golfing with his pals and was a long time member of Kitsap. Friends have decided that a great way to honor this unforgettable man would be to purchase an outdoor beverage station for the club using funds from the golf tournament and donations from a GoFundMe website. Whether you'd like to golf or just come out for the BBQ and stories, please join us for this fun time. Registration can be completed at the Kitsap Golf and Country Club website <http://www.kitsapgolfcc.com/> or by mailing/delivering this form to the address below. There is also a link at the site if you would just like to donate using a GoFundMe account.

Golfers will play a "Scramble" format. Put a team together or sign up individually and we'll get you some playing partners! Handicaps are not required and will not be used for scoring purposes. Prizes and some beverages will be provided.
